Highland Falls Course Information

Highland Falls lives up to its name with lofty elevation at more than 3,000 feet. Panoramic views of the Las Vegas strip are abundant throughout; the rolling hills of the front nine become steeper on the back side. Besides elevation changes, rich fairways and strategically placed bunkering makes each of Highland Falls' eighteen holes fun, fair and challenging. Risk and reward golf shot opportunities are plentiful on the back nine. (par-72, 6,512 yards, rating/slope 70.1/119)
